“Just a note to say thank you so much for the fantastic job you all made of the windows, we are both absolutely thrilled with them. As you know, we had totally lost faith in double glazing companies, due to our horrendous experience. We have especially appreciated your patience with us on the design and for putting up with our endless on the spot factory visits. It’s great to know you were actually listening whereas others switched off as soon as they heard we wanted it near original in finish. We wouldn’t hesitate to recommend you and wish you all very well for the future.”

Everyone has been courteous, friendly and highly professional. We have also been impressed with the cleanliness and care taken as the job progressed.”

**Mr & Mrs De-Acaan**

“We’d just like to say how pleased we are with the new windows; it has totally transformed the appearance of the house inside and out and already drawn several complimentary comments for the neighbours. Please thank your lads for their hard work in adverse conditions and the speed they completed the job which was quite astonishing in sub zero temperatures. They were always helpful, cheerful and approachable.”
